

**SCHMOOZE COM, INC.
POMPs Terms of Service
For FreePBX Systems**

1 Explanation of POMPs

- 1.1 Explanation-**A POMPs package is an optional support agreement that is purchased by the Customer from Schmooze for a single FreePBX system. The purchase of a POMPs base package and any additional Add On Feature packages entitles the Customer to certain services to be rendered by Schmooze. The purchase of any POMPs Add On Feature packages requires a purchase of the base package first.

2 Base POMPs-Coverage of Service

- 2.1 Support Time-** 60 Minutes Of Support Included (Additional support credit can be purchased) All support credits are applied to the customer account and can be used for any system that the customer opens a ticket on
- 2.2 System Admin Pro License-** The System Admin Pro Commercial Module is included with your purchase of a Base POMPs package. Please see <http://schmoozecom.com/sys-admin-pro.php> for more information on this module.
- 2.3 Dedicated Support Number-** Dedicated Support Phone number that moves your call above non POMPs based callers.
- 2.4 SLA-** Standard SLA as defined in the SLA section
- 2.5 Support Hours-** Support offered between the hours of 9:00AM and 6:00PM, Monday through Friday, Central Standard Time excluding Major US Holidays

3 POMPs Add Ons-Coverage of Services

3.1 Platinum Coverage of Service

- 3.1.1.1** All of the Coverage of Services as outlined in the **Base POMPs-Coverage of Service** above are included plus the following items.
- 3.1.1.2 Support Time-** 180 Minutes Of Support Included on top of what is included in the Base POMPs (Additional support credit can be purchased) All support credits are applied to the customer account and can be used for any system that the customer opens a ticket on
- 3.1.1.3 SLA-** Platinum SLA as defined in the SLA section
- 3.1.1.4 Support Hours-** Extended Support offered between the hours of 8:00AM and 6:00PM, Monday through Friday, Central Standard Time excluding Major US Holidays for SLA items 2 thru 4.
- 3.1.1.5 After Hours Support-** Access to after Hours support for Level 1 complete system outages only by entering your unique After hours pin code that can be found in the portal under your Deployment.

- 4 Support Service Level Agreement.** Except as otherwise provided in this Agreement, Schmooze shall provide support Services for the System in accordance with the Service Level Agreement set forth below:

STANDARD SLA

Severity	Description	Response Times
1 – Critical	Business phones non-functional. All communication down	Within 1 Business Hour
2 – Moderate	Single employee unable to function	Within 4 Business Hours
3 - Normal	Basic configuration concerns that impact productivity but do not prohibit communication	Within 8 Business Hours
4 – Low	General questions about how to use functionality of phone handsets, IP-PBX features	Within 24 Business Hours

PLATINUM SLA

Severity	Description	Response Times
1 – Critical	Business phones non-functional. All communication down	Within 30 Business Minutes
2 – Moderate	Single employee unable to function	Within 2 Business Hours
3 - Normal	Basic configuration concerns that impact productivity but do not prohibit communication	Within 4 Business Hours
4 – Low	General questions about how to use functionality of phone handsets, IP-PBX features	Within 8 Business Hours

5 Terms of Agreement

- 5.1 Length of Agreement-**All POMPs packages are for a 12 month period from the date of purchase.
- 5.2 Renewal-**All POMPs packages can be renewed by the customer after the 12 month period. This can be accomplished by logging into the Customer Portal and renewing their POMPs. All renewals are based on the last expiration date. If your POMPs expired 6 months ago and you decide to renew it, you will only get 6 months of coverage.

- 5.3 Terminations of Agreement-**This agreement will automatically be terminated on the same day 12 months from the order date of system. Schmooze also has the right to terminate this agreement at any time and issue a monthly pro-rated refund at its discretion with 30 day written notice to customer.
- 5.4 Transferability-** POMP's are non-transferable. Resale of any FreePBX system will void this agreement. The Purchaser of the FreePBX system will be required to purchase their own POMP's
- 5.5 Tracking of Time-** All POMP's support features that have hourly caps to them will be tracked inside your user portal. Please access your portal to see you current balance of time left at any point during the length of the agreement. Additional support can be purchased at the prevailing hourly rate inside the customer portal.
- 5.6 Remote System Access-**All remote support is done by connecting to your phone system using a SSH protocol on port 22. To receive support from Schmooze Com, Inc you must allow access through your firewall to port 22 pointing to the IP address of your system.
